We would be glad to order any of the following optional Sparks Club items for your child. Though not required, you may want to consider some of these. Music is a wonderful tool to plant Bible truths in the hearts of children. These recordings can be played during the week to your child, for reinforcement of the memory verse he/she is working on. Orders should take one-two weeks. Note: The CDs below are different than the ones above.

Please do not let finances stand in the way of your child participating in Awana. If there is a financial need, please let your child's Awana leader, or the Awana Commander, know and we will work with you so your child may continue to participate in our Awana ministry.
